

RABQSA CERTIFICATION OFFERING FOR ALL ASQ CQA'S

About RABQSA International

RABQSA creates value for you and your customers. We design, develop, and deliver personnel and training certification services relevant to your industry.

Our certification services are designed to be quick and easy, consistent and relevant to the needs of industry.

We create and maintain value to industry, our certified professionals and training providers, by ensuring that our certification remains relevant to industry and compliant to international standards.

RABQSA International certification delivers the right people, with the right abilities, to achieve the right outcomes.

RABQSA certification for ASQ Certified Quality Auditors

RABQSA has formally recognized the ASQ Certified Quality Auditor as meeting specific competency requirements under the RABQSA Accredited Quality Management System Auditor Certification Scheme.

RABQSA certification is endorsed by ASQ and CQA's are encouraged to apply.

Following successful completion of the evaluation process, CQA's will receive RABQSA International Provisional QMS Auditor Certification.

Benefits of choosing to be certified by RABQSA

- Your certification is recognized internationally as our certification schemes are developed in compliance to the International Standard ISO/IEC17024:2003.
- The QMS Auditor Certification scheme has been developed by industry, providing confidence in your ability to meet their needs and add value.
- Many industries now demand or recognize RABQSA certification as a pre-requisite for successful employment or contracts, making your certification the preferred choice.
- Your certification has been developed with your career development in mind, allowing you to use your certification to plan and achieve your employment goals.

The RABQSA Certification Process For ASQ CQA's

It's as easy as 1, 2, 3...

You have only to complete 3 steps to attain the RABQSA Provisional QMS Auditor Certification.

Step 1— Pay Your Fee

The fee for processing and the first year of certification is only USD\$75.00.

Step 2— Log In

Once we receive your payment, we will provide you with a login ID and password to access the RABQSA-QM gap examination via the RABQSA website.

Step 3— Complete The Quick Quiz

This examination covers the differences between the knowledge requirements of the RABQSA certification and the CQA Body of Knowledge.

It is a 25-question on-line examination that has a 30 minute time limit.

The pass mark is 100%.

You can take this examination two times without additional fees.

That's all you need to do!

Once we receive notice that you have successfully completed the RABQSA-QM gap examination, we will issue you an accredited Certificate and ID Card as an RABQSA-certified Provisional QMS Auditor.

..... Please feel free to contact our office if you have any questions.
