

## **Financial services, including insurance, offering adds value to RABQSA Certified Personnel**

**Sydney, Australia:** RABQSA International has negotiated a range of financial services offerings, including insurance, for its Australian and New Zealand certified personnel. Aon Risk Services has prepared a suite of financial services aimed at covering and supporting RABQSA certified personnel. Insurance Services and products include:

- Professional Indemnity insurance
- Directors and Officers Liability insurance
- Public Liability insurance
- Employment Practices Liability insurance
- Business Pack Insurance
- Financial Planning services

“In the past the premiums were higher because auditors and professionals had to purchase insurance as an individual. This facility provides RABQSA certified personnel with the benefit of the purchasing power of a large group”, stated Bruce Dann, Aon – State Manager Professional & Consumer Services NSW. “This joint initiative has developed broad and relevant cover at very competitive prices”, he remarked.

The deal between RABQSA and Aon offers tailored policies that cover the activities of RABQSA’s certified personnel at competitive premiums which would not otherwise be available to individuals. Aon staff, knowledgeable in the conformity assessment industry, also offer dedicated claims staff for a quick response time.

“RABQSA always seeks ways to add value to their certified personnel and providing a highly competitive price for insurances [that are increasingly becoming mandatory in some contracts and services agreements] is one such way we endeavour to achieve this”, offered Peter Holtmann, Director Business Development and Marketing for RABQSA.

Auditors certified by RABQSA wishing to take up the offer should contact Aon direct via the link on the RABQSA website under Industry Services
