

RABQSA International establishes presence in Cyprus!

Sydney, Milwaukee, Athens: Following the signing of a Heads of Agreement, Cyprus Certification Company (CCC) and RABQSA International (RABQSA) have today announced the establishment of an RABQSA Office in Nicosia. The Office will provide direct access to RABQSA services and products to the Cyprus market.

“This is a significant development in RABQSA’s international expansion, and our ability to market and deliver our services worldwide”, said Michael Carmody CEO RABQSA. “We are extremely proud to work with CCC in providing accredited personnel and training certification services tailored specifically to meet local Middle East industry needs. CCC through their direct engagement with the market and industry, on a range of, management system certification services, will compliment and enhance our service profile”, said Carmody.

“We are excited at the added value the relationship with RABQSA will create for CCC”, said Polis Votsis, Chairman of CCC. “RABQSA’s certification products will add a new dimension to the Cyprus conformity assessment market. Particularly after Cyprus entrance in European Union the accredited certification of professional competencies became a necessity.” said Votsis.

The establishment of RABQSA office and service facilities in Cyprus will compliment RABQSA’s existing international profile in USA, Canada, Australia, Greece, New Zealand, Malaysia, Turkey, Taiwan, Japan and Korea.
