

RABQSA establishes second International Office at Fukuoka Japan

Seoul Korea: Following the signing of a Heads of Agreement, at RABQSA International, Inc (RABQSA) Principal Office in Seoul today, RABQSA has established a second International Office in Japan.

The new Office, in partnership with Organic Certifications Organization Co, Ltd (OCO), is located at Fukuoka. The Office, reporting to RABQSA Seoul, will provide access to all RABQSA's products and services, with particular focus on the emerging organics industry.

"RABQSA's association and development of business opportunities with OCO is a welcomed initiative", says Michael Carmody RABQSA President and Chief Executive Officer. "The organics industry in Japan is making rapid inroads into conformity assessment, with RABQSA well positioned to add value to the harmonization and improvement of auditing standards", say Carmody.

"OCO is very pleased to be working in partnership with RABQSA" says Mr. Mamoru Tamagawa President OCO. "There are many opportunities for RABQSA in Japan particularly in the emerging field of organics and related industry programs", says Tamagawa.

RABQSA Fukuoka will commence operations 1 September, with RABQSA Tokyo to continue operations focused on the food industry, specifically in the areas of frozen food inspection and training.

RABQSA Fukuoka compliments RABQSA's growing profile and international exposure. RABQSA's International Offices are located at Auckland, Kuala Lumpur, Bangkok, Taipei, Tokyo, Rio de Janeiro, Istanbul and Nicosia.

Further details on RABQSA's Principal and International Offices are available on the RABQSA website at www.rabqsa.com or by contacting RABQSA at info@rabqsa.com
