

RABQSA Announces its First Certified Training Provider for India

Milwaukee, Sydney and Seoul: RABQSA International (RABQSA) has announced the certification of Benchmark Six Sigma to the RABQSA Training Provider and Examiner Certification Scheme (TPECS).

Benchmark Six Sigma transfer business excellence knowledge across industries in pursuit of competitive advantage. Benchmark Six Sigma offers training and certification (six sigma yellow belt, six sigma green belt and six sigma black belt certification) and organizes Business Excellence Conferences, keeping all offerings up-to-date keeping in mind the contemporary industry trends and technological developments.

“We are excited to grant certification for the TPECS Six Sigma Competency Units in India. Benchmark Six Sigma provides a quality training product that will enhance the international reputation of RABQSA’s Training Certification Products” said Ms. Rachel Robinson, Coordinator Training Certification Services Asia Pacific at RABQSA International Inc.

“In order to set ourselves apart from our competition and demonstrate the quality of our program, we chose to get our program certified by an internationally reputed organization.” stated Vishwadeep Khatri Lead Facilitator Benchmark Six Sigma . “We believe that having this Certification will enable Benchmark Six Sigma to attract a greater number of participants to our training courses in the future” continued Mr. Khatri.

A list of Benchmark Six Sigma’s certified training courses is available on the RABQSA Register through the website at www.rabqsa.com

Public contact or further information can be gained from the RABQSA Sydney office, or contact Ms. Rachel Robinson at rrobinson@rabqsa.com

TPECS reflects contemporary learning and assessment practices, surpasses industry expectations and, above all, demonstrates that applicants achieve the level of competence required for RABQSA personnel certification
